*Here's the Union Suit comfort you've been seeking:*

"Porosknit" Union Suits have the comfortably closed crotch and the elastic fitting back which prevents "short-waisted" feeling and "cutting in the crotch." No cumbersome flaps can gape open. Stoop, bend, twist as you will you'll have no pulling, bulging nor drawing. If you want to really enjoy a Union Suit, wear genuine "Porosknit." Fits comfortably all over. No gaping between buttons. *Stays* buttoned while on. Particular men will like the new  $\frac{3}{4}$  length, with covered knee and free ankle.

"Porosknit" is made in 13 styles — for man, for boy. It is cleanly and hygienic. The texture of the fabric, the best (high-priced) combed yarn, keeps your body cool by absorption and evaporation of perspiration. The softness of the yarn saves your skin from irritation.

Try a suit of elastic, light, cool, comfortable, healthful "Porosknit" (either Union Suit or separate garments).
